AVELLINO

il Legato

The Legacy of Avellino is an exclusive waterfront community on Pine Lake featuring 25 home sites in Beaver Township, Ohio. Inspired by old world European architecture, these elegant, environmentally friendly homes will be constructed exclusively by Master Plan Builders utilizing sustainable materials and renewable resources. Minimum requirements are 2,400 square feet of living area for single story homes and minimum of and 3,000 square feet of living area for two story plans. If you're interested in this premier community, please contact us to schedule a personal tour.
